By Sky Thakur

LAP Lambert Academic Publishing Feb 2013, 2013. Taschenbuch. Condition: Neu. Neuware - 'victim of paralyzed judicial system have no restitution'. Justice is a multidimensional concept, it not only includes the check on criminals but also to satisfy the demand of the victim. In a developing nation like India the majority of the population is struggling for its two time meal, in such circumstances the fight for justice becomes secondary and mere conviction will bring no use to the victims as for them their suffering could better be reimbursed in monetary form by which they will be able to mend their losses. Indian legislators gave their best attempt to amend and make better compensatory laws but because of many reasons the laws are not able to meet the need of the hour. This book all these laws, amendments and constitutional perspective of Indian legal system in nutshell. 84 pp. English.
